We love visitors. Stroll through the daylily gardens. Over 250 older and newer registered daylily varieties. Thousands of our brand new hybridized seedlings. Preview some of our seedlings at www.UncanoonucDaylilies.com/seedling-pictures-in-2018.

Hybridized Seedlings For Sale

Hundreds of one-of-a-kind third-year daylily seedlings can be dug for you (bareroot). **\$3.00 each**. We can't keep them all...

* (We created the flowers with the asterisks!)

Note: You can expect to see a number of colored paper clips hanging from the daylily scapes (branches). These clips and the spent blossoms should not be removed. 😊
